WHAT FUN!!

Junior wanted to play ball with his classmates on Saturday. His uncle had given him a new catcher's glove. And he was very anxious to try it out. But his dad had other plans for him.

"You are going to have a lot of fun on Saturday. I have a big surprise for you. I am going to take you fishing on Lake Kitewawa."

And before Junior could say anything, his father added one important detail.

"We have to be up at 5 a.m. to get a boat. Everyone will be there fishing."

Bad enough that a fellow has to get up at 7:30 every week day. And wash behind the ears. But on Saturday, he had planned to sleep until 9:30. Then Dave would come over and they would join the rest of the fellows in the playground. Kids are very smart. If he had said no, it would ruin his father's day.

At five the next morning his father woke him. He would have preferred rather to continue his dream. For at that given moment a big whale was about to teach him how to swim under water. So he arose and washed and dressed himself.

"We will let mother sleep," said his father. "I will make breakfast for us two."

As breakfasts go, it wasn't a very big success. The toast was completely burned. The soft boiled eggs turned out to be hard boiled. And somehow there was salt where the sugar should have been. But these minor mistakes any fellow can forgive.

"Remember, we are going to have a lot of fun today," said his father.

They packed things into the car. Soon they were on the highway headed for Lake Kitewawa.

"I get off at exit 34, there is a short cut to the lake," his father informed him.

So father drove to exit 34 made a turn to the left when they came to the road on the side. Then they came to a split in the road. Father looked puzzled.

"I don't remember whether to go to the right or to the left. I'll take a chance. What can we lose?"

So they drove along that road for two miles. And they stopped because there was a big sign that read: "Dead End."

It wasn't easy to turn the car around, but Junior's father managed to do it. Then they heard a peculiar noise.

"I hope it isn't a blowout," sighed father.

It was! There wasn't much Junior could do to help father change the tire. Then finally they got back to the highway. And an hour later they were at the lake. They went to the place where you rented boats and bought worms.

"Only one boat left," said the man. "And it is leaky. But I will give you a can to bail out the water. A dozen worms should do the trick."

The man went to the bait box to get the worms. Then he came back with a sad expression on his face.

"Sorry, All I have is three worms. Take them with my compliments. In the afternoon I will have another delivery of bait."

Father and son went back to the car to get the fishing poles and the tackle box. Then father made a terrible discovery.

"I forgot to take the lunch that mother made for us. Never mind. We'll buy something to eat later."

Junior said nothing. But he wondered how he could control his growing appetite. He was getting hungry. So into the boat they went. It looked leaky already. Father took the oars. But both oarlocks were broken. And suddenly the boat sank. Fortunately only in a foot of water. Suddenly Father realized that the lips of his son were moving. Again and again. But no words were coming out.

"What are you trying to say, son?" He asked.

A very brave boy did his best to be cheerful. Wet as he was he told his father the following:

"I am telling myself I am going to have a lot of fun this Saturday."

And at that moment a very big Carp floated into the boat and Junior caught him with both hands! What fun!

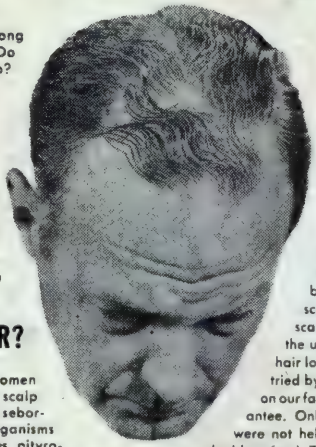
IS YOUR HAIR GROWING OR GOING?

Stand in front of a mirror. Take a long hard look at the top of your head. Do you have as much hair as one year ago? Do you see any new hair growth?

If your answer is no, it is important that you take steps today to save the hair you now have. If you act now, you may be able to reverse the trend on your head. You may be able to grow new hair faster than it is falling out. Doesn't that make sense to you? Wouldn't you like to look in the mirror a year from now and see more hair on your head than you see now? Why lose your hair if you don't have to?



CAN YOU SAVE YOUR HAIR?

Every year thousands of men and women go bald — needlessly — because of a scalp infection. This scalp infection is called seborrhea. Doctors say that three germ organisms cause seborrhea: staphyloccocus albus, pityrosporum ovale, and microbacillus. These germs attack the sebacious glands and the hair follicles themselves. If not checked, permament damage is done. The hair follicles atrophy, lose their ability to produce new hairs. The result: premature baldness.

You can easily tell if you are a victim of seborrhea. If you have itchy scalp, dandruff, hair loss, very dry or oily scalp, the chances are that you have seborrhea. Neglect these symptoms and you invite baldness.

Treat your scalp to Ward's Formula. This amazing scalp medicine quickly controls seborrhea and stops the hair loss it causes.

Here's the Proof!

I must admit I didn't have much faith in it, but I hadn't been using Ward's one week before I could see it was helping me. I could feel my hair getting thicker.
E. K., Cleveland, Ohio

Out of all the Hair Experts I went to, I've gotten the most help from one bottle of Ward's Formula.
C. La M., Philadelphia, Pa.

After using Ward's for only 12 days my hair has stopped falling out.
R. W. C., Cicero, Ill.

I am tickled to death with the results. In just two weeks' time—no dandruff! *W. T. W., Pittsfield, Cal.*

I feel encouraged to say that the infuriating scalp itch which has bothered me for 5 years is now gone.
J. M. K., Columbus, Ohio

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss, for which neither the Ward treatment nor any other treatment is effective.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Formula kills the three parasitic germ organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing laboratory (copy of laboratory report sent on request). Ward's removes infectious dandruff, stops scalp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula corrects the ugly symptoms of seborrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 550,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. *Try it at our risk.* In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp itch must stop. Your hair must look thicker, more attractive, and alive. Your excessive hair loss must stop. You must be completely satisfied—in only 10 days—with the improved condition of your scalp and hair, or simply return the unused portion for Double Your Money Back. So why delay? Delay may cost your hair.
